VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of our shares of common stock, par value \$0.01 per share, as of the close of business on March 31, 2014 are entitled to one vote for each share then held. As of March 31, 2014, there were 1,949,956 shares of common stock issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present.

As to the election of directors, the Proxy Card being provided by the Board of Directors enables a stockholder to vote: (i) FOR ALL NOMINEES proposed by the Board; (ii) vote WITHHOLD AUTHORITY FOR ALL NOMINEES; or (iii) vote FOR ALL EXCEPT one of the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of the appointment of Crowe Horwath LLP as our independent auditors, the Proxy Card being provided by the Board of Directors enables a stockholder to: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on such ratification. The affirmative vote of a majority of the shares represented at the annual meeting and entitled to vote is required for the ratification of Crowe Horwath

LLP as the independent auditors for the year ending December 31, 2014 without regard to broker non-votes or proxies marked ABSTAIN.

If you participate in the Ben Franklin Bank of Illinois Employee Stock Ownership Plan (the “ESOP”), you will receive a vote authorization form for the ESOP plan so that you can direct the trustee to vote the shares in your account on your behalf under the ESOP plan. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary responsibilities, will vote shares for which no voting instructions are received, for which participants have elected to “abstain” or for which instructions were not timely received, in the same proportion as shares for which voting instructions were received. The ESOP trustee will also vote all unallocated shares of Ben Franklin Financial, Inc. common stock held by the ESOP in the same proportion as shares for which it has received timely voting instructions. The deadline for returning your ESOP voting instructions is May 14, 2014.

Our management anticipates that Ben Franklin Financial, MHC, our majority stockholder, will vote all of its shares in favor of all the matters set forth above. If Ben Franklin Financial, MHC votes all of its shares in favor of each proposal, the approval of each proposal would be assured.

The following table sets forth, as of March 31, 2014, the shares of our common stock beneficially owned by each person known to us who was the beneficial owner of more than 5% of the outstanding shares of our common stock.

<u>Name and Address of Beneficial Owners</u>	<u>Amount of Shares Owned and Nature of Beneficial Ownership⁽¹⁾</u>	<u>Percent of Shares of Common Stock Outstanding</u>
Ben Franklin Financial, MHC 830 East Kensington Road Arlington Heights, Illinois 60004	1,091,062	56.0%
Ben Franklin Financial, MHC, and all of our Directors and Executive Officers as a group (9 Directors and Officers) ⁽²⁾	1,321,782	65.1%

(1) A person is deemed to be the beneficial owner for purposes of this table, of any shares of common stock if he has shared voting or investment power with respect to such security, or has a right to acquire beneficial ownership at any time within 60 days from the date as of which beneficial ownership is being determined. As used herein, “voting power” is the power to vote or direct the voting of shares and “investment power” is the power to dispose or direct the disposition of shares, and includes all shares held directly as well as by spouses and minor children, in trust and other indirect ownership, over which shares the named individuals effectively exercise sole or shared voting or investment power.

(2) Includes shares of common stock held by Ben Franklin Financial, MHC, of which our executive officers and directors are also executive officers and directors. Excluding shares of common stock held by Ben Franklin Financial, MHC, our executive officers and directors owned 230,720 shares of common stock, or 9.1% of the outstanding shares. This total does not include unallocated shares held by our employee stock ownership plan as of the record date. These shares are voted by the Trustee in the same proportion as the allocated shares are voted by the employee stock ownership plan participants.

PROPOSAL I — ELECTION OF DIRECTORS

Our Board of Directors currently consists of five members. Our bylaws provide that approximately one-third of the directors are to be elected annually. Our directors are generally elected to serve for a three-year period, or a shorter period if the director is elected to fill a vacancy, and until their respective successors shall have been elected and shall qualify. Two directors will be elected at the annual meeting and will serve until their successors have been elected and qualified. The Governance/Nominating Committee has nominated Robert E. DeCelles and Steven D. Olson to serve as directors for three-year terms. Mr. DeCelles is currently a member of the Board of Directors. Mr. Olson has been nominated by the Governance/Nominating Committee to fill the vacant director position on the board subject to non-objection by the Federal Reserve. Mr. Olson is currently a Senior Vice President for Ben Franklin Financial, Inc. and President and a Director for Ben Franklin Bank of Illinois (the “Bank”), the wholly owned subsidiary of Ben Franklin Financial, Inc.

The table below sets forth certain information regarding the composition of our Board of Directors as of March 31, 2014, including the terms of office of Board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to the nominee) will be voted at the annual meeting for the election of the nominees identified below. If the nominees are unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, subject to the non-objection by the Federal Reserve, the Board of Directors knows of no reason why the nominees might be unable to serve, if elected. Except as indicated herein, there are no arrangements or understandings between the nominees and any other person pursuant to which such nominees were selected.

Angie Plesiotis has been the Chief Operations Officer and Vice President of Ben Franklin Bank of Illinois since 2000. Previously, she was Assistant Vice President and Branch Manager at St. Paul Federal Bank.

Board Independence

The Board of Directors has determined that as of the date of this proxy statement, Directors DeCelles, Raino and Reninger are each “independent” within the meaning of the Nasdaq Stock Market corporate governance listing standards. Mr. Sjogren, Mr. Olson, and Ms. Dziejdzic are not independent by virtue of their being employees of Ben Franklin Bank of Illinois.

Meetings and Committees of the Board of Directors

The business of Ben Franklin Financial, Inc. is conducted at regular and special meetings of the full Board and its standing committees. The standing committees consist of the Audit, Nominating and Compensation Committees. During the year ended December 31, 2013, the Board of Directors met at 12 regular meetings and one special meeting. No member of the Board or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the board of directors (held during the period for which he or she has been a director); and (ii) the total number of meetings held by all committees of the board on which he or she served (during the periods that he or she served).

Audit Committee

The Audit Committee consists of Directors Reninger (Chairman), DeCelles, and Raino. Each member of the Audit Committee is “independent” as defined in the Nasdaq Stock Market corporate governance listing standards and under Securities and Exchange Commission Rule 10A-3. The Board of Directors has determined that director Reninger qualifies as an “audit committee financial expert” as that term is used in the rules and regulations of the Securities and Exchange Commission. Our Board of Directors has adopted a written charter for the Audit Committee, which is available on our website at www.benfrankbank.com.

Audit Committee Report

Our management is primarily responsible for our financial reporting and internal and disclosure controls. However, the Audit Committee is responsible for the relationship between our independent auditors and us. The Audit Committee also receives reports with respect to our financial reporting, internal control over financial reporting and disclosure controls. In addition, the Audit Committee reviews our unaudited interim financial statements and audited year-end financial statements. Finally, the Audit Committee maintains a procedure for confidential employee complaints regarding accounting matters.

The Audit Committee met four times during the year ended December 31, 2013. During these and subsequent meetings:

- Management represented to the Audit Committee that our consolidated financial statements for the year ended December 31, 2013 were prepared in accordance with accounting principles generally accepted in the United States of America;
- The Audit Committee reviewed and discussed such consolidated financial statements with management and the independent auditors;
- The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 114, including the quality (not just the acceptability) of the relevant accounting principles, the reasonableness of the significant judgments, and the clarity of the included disclosures; and

- The Audit Committee met with the independent auditors to discuss the results of its audit and the overall quality of our financial reporting.

In performing these functions, the Audit Committee acted only in an oversight capacity. In this oversight role, the Audit Committee relied on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and on the independent auditors which, in its report, expressed an unqualified opinion on our financial statements. The Audit Committee's oversight did not provide it with an independent basis to determine whether management utilized appropriate accounting and financial accounting standards and complied with applicable laws and regulations. Furthermore, the Audit Committee's review and discussions with management and the independent auditors did not assure that our financial statements were audited in accordance with U.S. generally accepted auditing standards or that our independent auditors was in fact "independent."

In reliance on the above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in our Annual Report for the year ended December 31, 2013. The Audit Committee and the Board of Directors also have approved, subject to stockholder ratification, the selection of Crowe Horwath LLP as our independent auditors for the year ending December 31, 2014.

This report has been provided by the Audit Committee, which consists of Directors Reninger, DeCelles and Raino.

Governance/Nominating Committee

The Governance/Nominating Committee consists of Directors Raino (Chairman) and Reninger. Each member of the Governance/Nominating Committee is considered "independent" as defined in the Nasdaq Stock Market corporate governance listing standards. Our Board of Directors has adopted a written charter for the Governance/Nominating Committee, which is available on our website at www.benfrankbank.com. The Governance/Nominating Committee met one time during the year ended December 31, 2013.

The functions of the Governance/Nominating Committee include the following:

- identifying individuals qualified to become members of the Board of Directors and selecting director nominees to be presented for stockholder approval;
- developing and recommending to the Board of Directors standards for the selection of individuals to be considered for election or re-election to the Board of Directors;
- adopting procedures and considering the submission of recommendations by stockholders for nominees for election to the Board of Directors;
- reviewing the structure and performance of the Board of Directors and its committees and making recommendations with respect to the Board of Directors and its committees, including size and composition; and
- making recommendations regarding developing corporate governance guidelines.

The Governance/Nominating Committee begins the nominee identification process by evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. Thus, under some circumstances, the Governance/Nominating Committee may choose not to consider an unsolicited recommendation.

If any member of the Board does not wish to continue in service, or if the Governance/Nominating Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for director candidates from all Board members. In addition, the Governance/Nominating Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. In considering director candidates, the Committee will seek persons who, at a minimum, satisfy the following criteria:

- the highest personal and professional ethics and integrity and whose values are compatible with our values;
- experience and achievements that have given them the ability to exercise and develop good business judgment;
- a willingness to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;
- a familiarity with the communities in which we operate and/or is actively engaged in community activities;
- involvement in other activities or interests that do not create a conflict with their responsibilities to Ben Franklin Financial, Inc. and its stockholders; and
- the capacity and desire to represent the balanced, best interests of our stockholders as a group, and not primarily a special interest group or constituency.

The Governance/Nominating Committee will also take into account whether a candidate satisfies the criteria for “independence” under the Nasdaq Stock Market corporate governance listing standards. Although the Governance/Nominating Committee and the Board do not have a formal policy with regard to the consideration of diversity in identifying a director nominee, diversity is considered in the identification process. While attributes such as relevant experience, financial acumen, and formal education are always considered in the identification process, the Governance/Nominating Committee and the Board will also evaluate a potential director nominee’s personal character, community involvement, and willingness to serve so that he or she can help further our role as a community-based financial institution.

Procedures for the Recommendation of Director Nominees by Stockholders. The Governance/Nominating Committee has adopted procedures for the submission of director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Governance/Nominating Committee will consider candidates submitted by our stockholders. Stockholders can submit the names of qualified candidates for Director by writing to us at 830 East Kensington Road, Arlington Heights, Illinois 60004, Attention: Chairman, Governance/Nominating Committee. The Chairman must receive a submission not less than one hundred and twenty (120) days prior to the date of our proxy materials for the preceding year’s annual meeting.

The submission must include the following information:

- a statement that the writer is a stockholder and is proposing a candidate for consideration by the Committee;
- the name and address of the stockholder as they appear on our books, and number of shares of our common stock that are owned beneficially by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder’s ownership will be required);
- the name, address and contact information for the candidate, and the number of shares of our common stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder’s ownership should be provided);

- a statement of the candidate’s business and educational experience;
- such other information regarding the candidate as would be required to be included in the proxy statement pursuant to Securities and Exchange Commission Regulation 14A;
- a statement detailing any relationship between the candidate and any customer, supplier or competitor of Ben Franklin Financial, Inc. or its affiliates;
- detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- a statement of the candidate that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in our Bylaws.

Stockholder Communications with the Board. A stockholder of Ben Franklin Financial, Inc. who wants to communicate with the Board of Directors or with any individual director can write to us at 830 East Kensington Road, Arlington Heights, Illinois 60004, Attention: Chairman, Governance/Nominating Committee. The letter should indicate that the author is a stockholder and, if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, the Chairman will:

- forward the communication to the director or directors to whom it is addressed;
- attempt to handle the inquiry directly, or forward the communication for response by an employee of Ben Franklin Financial, Inc. For example, a request for information about us on a stock-related matter may be forwarded to our stockholder relations officer; or
- not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, the Chairman shall present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the directors.

Compensation Committee

The Compensation Committee consists of Directors Raino (Chairman), DeCelles and Reninger. None of these individuals was an officer or employee of Ben Franklin Financial, Inc. during the year ended December 31, 2013, or is a former officer of Ben Franklin Financial, Inc. or Ben Franklin Bank of Illinois during the last three years. Each member of the Compensation Committee is considered “independent” as defined in the Nasdaq Stock Market corporate governance listing standards. The committee meets on an as needed basis. Our Board of Directors has adopted a written charter for the Compensation Committee, which is available on our website at www.benfrankbank.com. The Compensation Committee met one time during the year ended December 31, 2013.

The role of the Compensation Committee is to review annually the performance and compensation levels of our executive officers and directors and recommend compensation, including salary, bonus, incentive and equity compensation of our executive officers and directors to the Board of Directors. C. Steven Sjogren, our Chief Executive Officer, does not participate in Compensation Committee discussions or recommendations relative to the determination of his compensation but does make recommendations relative to the compensation of our other executive officers. The Compensation Committee also reviews and makes recommendations regarding certain of our other compensation policies, plans and programs. The Compensation Committee also administers our Equity Incentive Plan. The Compensation Committee may retain, at its discretion, compensation consultants to assist it in making compensation related decisions.

Employment Agreements

Ben Franklin Bank of Illinois entered into similar employment agreements with each of Messrs. Sjogren and Miller which were last amended in 2008. Each of these agreements has a term of up to two years which renewal is subject to regulatory approval. The agreements provide for a base salary, and among other things, participation in bonus programs and other employee retirement and fringe benefit plans applicable to executive employees. The executive's employment may be terminated for cause at any time, in which event the executive would have no right to receive compensation or other benefits for any period after termination.

Certain events resulting in the executive's termination or resignation entitle the executive to payments of severance benefits following an event of termination. An event of termination will include (i) the involuntary termination of the executive's employment for reasons other than for cause, disability or retirement; (ii) the executive's resignation during the term of the agreement following (a) a failure to elect or reelect or to appoint or reappoint the executive to his executive position, or if the executive is also a director for the bank, the failure to nominate or re-nominate the executive as a director, (b) a material change in the nature or scope of the executive's authority resulting in a reduction of the responsibility, scope, or importance of executive's position, (c) relocation of executive's office by more than 45 miles, (d) a material reduction in the benefits or perquisites paid to the executive unless such reduction is employer-wide, (e) the liquidation or dissolution of Ben Franklin Bank of Illinois, or (f) a material breach of the employment agreement by Ben Franklin Bank of Illinois; or (iii) the executive's involuntary termination or resignation as a result of any event described in subparagraph (ii) above, except for a liquidation or dissolution of Ben Franklin Bank of Illinois, following a change in control of Ben Franklin Bank of Illinois or Ben Franklin Financial, Inc. Upon an event of termination, the executive would be entitled to a severance payment equal to (i) the remaining base salary and bonus that the executive would have earned under the agreement if the executive had continued employment through the end of the term of the agreement and had earned the maximum bonus or incentive award in each calendar year that ends during the remaining term of the agreement, plus (ii) the value of the amount that would have been contributed to any employee benefit plan for the benefit of the executive during the remaining period of the agreement, all subject to regulatory approval. Such benefit will be paid in the form of a single cash lump distribution within 30 days following the executive's date of termination (but note that Internal Revenue Code Section 409A may require that the payment will be made on the first day of the seventh month following the executive's date of termination if the executive is a "specified employee" under IRS rules). In addition, the executive would be entitled, at no expense to the executive, to the continuation of non-taxable medical coverage for the remaining period of the agreement. In the event of a change in control of Ben Franklin Bank of Illinois or Ben Franklin Financial, Inc., as defined in the agreements, for the purposes of calculating benefits under the above agreements, the remaining term of the agreements should be deemed to be two years.

Notwithstanding the above, any severance payments (including payments made in the event of a change in control) to which executive would be entitled, to the extent necessary to comply with Office of the Comptroller of the Currency regulations, shall not exceed three times his average annual compensation over the most recent five taxable years. In addition, in the event payments to the executive include an "excess parachute payment" as defined in Section 280G of the Internal Revenue Code, payments under the employment agreements with Ben Franklin Bank of Illinois would be reduced in order to avoid this result.

In the event of executive's death, his estate or beneficiaries will be paid executive's base salary for one year from executive's death. If the executive becomes disabled, he will be entitled to receive benefits under any disability program sponsored by Ben Franklin Bank of Illinois. Upon retirement at age 65 or such later date determined by the board, executive will receive only those benefits to which he is entitled under any retirement plan of Ben Franklin Bank of Illinois to which he is a party.

Upon termination of the executive's employment other than in connection with a change in control, disability, or as result of the expiration of the agreement's term following a notice of non-renewal, the executive agrees not to compete with Ben Franklin Bank of Illinois for a period of one year following termination of employment in any town, city, or county in which there is currently a branch of Ben Franklin Bank of Illinois or any subsidiary of Ben Franklin Financial, Inc., or in which Ben Franklin Bank of Illinois, or a subsidiary has filed an application for regulatory approval to establish an office.

Employee Stock Ownership Plan

Ben Franklin Bank of Illinois maintains an employee stock ownership plan. Employees who are at least 21 years old, who have at least one year of employment with Ben Franklin Bank of Illinois are eligible to participate. In 2006, the employee stock ownership plan borrowed funds from Ben Franklin Financial, Inc. and used those funds to purchase 77,763 shares of common stock for the plan. The loan will be repaid principally from discretionary contributions by Ben Franklin Bank of Illinois to the employee stock ownership plan over a period of not more than 15 years. Collateral for the loan is the common stock purchased by the employee stock ownership plan. Shares purchased by the employee stock ownership plan are held in a suspense account for allocation among participants' accounts as the loan is repaid.

Shares released from the suspense account are allocated among participants' accounts on the basis of their compensation earned in the year of allocation compared to the total compensation earned by all active participants. Benefits under the plan will become vested at the rate of 20% per year, starting upon completion of two years of credited service, and will be fully vested upon completion of six years of credited service. Participants' interest in their accounts under the plan also fully vest in the event of termination of service due to the participants' normal retirement, death, disability, or upon a change in control (as defined in the plan). Vested benefits will be payable generally upon the participants' termination of service with Ben Franklin Bank of Illinois, and will be paid in the form of Ben Franklin Financial, Inc. common stock, or to the extent participants' accounts contain cash, benefits will be paid in cash. However, participants have the right to elect to receive their benefits entirely in the form of common stock.

Equity Incentive Plan

Our stockholders approved the equity incentive plan at our March 24, 2008 Special Meeting of Stockholders. The purpose of the plan is to provide our officers, employees and directors with additional incentives to promote our growth and performance.

The plan authorizes the issuance of up to 136,085 shares of our common stock pursuant to grants of incentive and non-statutory stock options, stock appreciation rights, and restricted stock awards. No more than 38,881 shares may be issued as restricted stock awards, and no more than 97,204 shares may be issued pursuant to the exercise of stock options and stock appreciation rights. Employees and directors of Ben Franklin Financial, Inc. or its subsidiaries are eligible to receive awards under the plan. Awards may be granted in a combination of incentive and non-statutory stock options, stock appreciation rights or restricted stock awards as follows.

No awards under the plan will vest at an overall rate in excess of 20% per year beginning from the date of grant of the award, however, in the event of an award recipient's death, disability or involuntary termination of service following a change in control, all unvested awards granted to such person will fully vest.

Compensation of Directors

Ben Franklin Bank of Illinois pays each director a fee of \$700 for each meeting attended and a fee of \$125 for each committee meeting attended. Fees for the chairman of the audit committee and for all other committee chairman are \$300 and \$200 respectively for each meeting. Ben Franklin Financial, Inc. does not pay any meeting or committee fees. Employee directors receive fees for board meetings attended but do not receive fees for committee meetings attended.

Transactions with Certain Related Persons

In the ordinary course of business, Ben Franklin Bank of Illinois makes loans available to its directors, officers and employees. These loans are made in the ordinary course of business on substantially the same terms, including collateral, as comparable loans to other borrowers. We believe that these loans neither involve more than the normal risk of collectibility nor present other unfavorable features. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. Loans made to directors or executive officers, including any modification of such loans, must be approved by a majority of disinterested members of the board of directors. The interest rate on loans to directors and officers is the same as that offered to other borrowers. For the year ended December 31, 2013, we had no transactions with directors or executive officers.

PROPOSAL II — RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our independent auditors for the year ended December 31, 2013 was Crowe Horwath LLP. Our Audit Committee has approved the engagement of Crowe Horwath LLP to be our independent auditors for the year ending December 31, 2014, subject to the ratification of the engagement by our stockholders as required by our Bylaws. At the annual meeting, the stockholders will consider and vote on the ratification of the engagement of Crowe Horwath LLP for the year ending December 31, 2014.

Although stockholder ratification of the independent auditors is required by our Bylaws, even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent auditor at any time during the year if it determines that such change is in the best interests of Ben Franklin Financial, Inc. and its stockholders.

Set forth below is certain information concerning aggregate fees billed for professional services rendered by Crowe Horwath LLP during the year ended December 31, 2013 and the year ended December 31, 2012.

	Year Ended December 31, 2013	Year Ended December 31, 2012
Audit Fees	\$ 45,000	\$ 43,500
Audit-Related Fees	—	—
Tax Fees	\$ 8,000	\$ 6,500
All Other Fees	—	—

Audit Fees. Audit fees for 2013 and 2012 were for professional services rendered for the audits of our consolidated financial statements and the review of financial statements included in our quarterly reports.

Audit-Related Fees. There were no audit-related fees for the years ended December 31, 2013 and 2012.

Tax Fees. All of the tax fees billed in 2013 and 2012 were for services related to tax compliance.

All Other Fees. There were no other fees for the years ended December 31, 2013 and 2012.

The Audit Committee has considered whether the provision of non-audit services, which relate primarily to tax compliance services rendered, is compatible with maintaining the independence of Crowe Horwath LLP. The Audit Committee concluded that performing such services does not affect the independence of Crowe Horwath LLP in performing its function as our independent auditors.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors, either by approving an engagement prior to the engagement or pursuant to a pre-approval policy with respect to particular services. These services may include audit services, audit-related services, tax

services and other services. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee when expedition of services is necessary. The independent auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. All audit-related fees, tax fees and all other fees described above were approved either as part of our engagement of Crowe Horwath LLP or pursuant to the pre-approval policy described above.

In order to ratify the selection of Crowe Horwath LLP as the independent auditors for the year ending December 31, 2014, the proposal must receive at least a majority of the votes represented at the annual meeting, without regard to broker non-votes or abstentions, in favor of such ratification. The Audit Committee of the Board of Directors recommends a vote "FOR" the ratification of Crowe Horwath LLP as the independent auditors for the year ending December 31, 2014.
